

If you are a La Verne resident, have NOT received rain barrels from past distributions and would like up to 2 rain barrels for your home, please contact Public Works at celliot@ci.la-verne.ca.us or 909-596-8741.

Please email or call the contact listed above. Include your name, address, how many barrels you would like, water account number and make sure your account is in good standing (no outstanding balance). When a distribution event date and location is established, we will contact you with the details for pick up.

ALL RECIPIENTS MUST BRING A LARGE VEHICLE (VAN, TRUCK OR SUV)

The fine print: Barrels will be distributed on a FIRST COME FIRST SERVE basis. Barrels MUST be picked up by the person on the water account who reserved them with a valid government issued id (driver's license or id card, passport or military id), NO exceptions. Program is not available to those who participated in previous years, if two barrels were reserved. If less than two barrels were reserved, resident can request remaining barrels, up to two.
