

Lone Hill to White Double Track Study

SAN DIMAS—LA VERNE

Please join us for Community Open Houses – November 29 & 30, 2016

Metro is evaluating the addition of a second mainline track along the Metrolink San Bernardino Line in the cities of San Dimas and La Verne. The proposed 3.9-mile double track segment would be located between Lone Hill Ave and White Ave. The goal of the proposed project is to enhance safety, improve Metrolink service, and upgrade 12 crossings to be “Quiet Zone Ready.”

Please join us at one of our community meetings to learn about the proposed project and to talk one-on-one with project representatives. Agenda and presentation materials will be the same for both meetings. Please attend the meeting that is most convenient to you.
